# HOMECOMING

# Dance

## A large, dense collage of numerous small photographs showing various dance performances. The images are arranged in a grid-like fashion, overlapping and filling the page. The photographs depict dancers in various costumes and settings, including modern, contemporary, and traditional styles. Some dancers are in white, some in black, and some in more elaborate, colorful costumes. The backgrounds are mostly dark, suggesting stage performances. The overall theme is dance and movement.

## Ms. Sheila Smith

### "SMITTY"

To the Best Class,  
Class of 2008

Four years ago, when you entered Plainfield High School, I knew you were a special class. You have touched my heart and soul beyond the capacity of teaching. Each of you has a unique gift and talent that the world has been waiting for! I have laugh, cried, fussed, mentored and advised you.

Graduating from High School is a memorable experience and you have come so far. I am extremely proud all of your accomplishments. Dont ever settle for less than God has to offer. Life is filled with all kinds of possibilities, their will be trials, struggles, and many obstacles; but at the end of the storm, there is always a rainbow. Stay present in every moment of your life.

Finally, I wish for each of you the best of health, endless joy and boundless success! Know that wherever lifes journeys take you, you will always be in my prayers. May God bless you and keep you in all of your endeavors.

"Life is not measured by the Breaths you take, but by the moment that take your Breath away."

Sincerely,  
Ms. Smith

# Public School of Plainfield

Dear Class of 2008:

You have met the challenges head on and have proven yourselves worthy of commencement. You have postured and met each daunting task with confidence, good judgment and the willingness to share and learn even more. You are leaving the safe haven of high school to enter a world of uncertainty. Your generation will change professions multiple times this is unlike any who have come before you. But you are prepared! The class of 2008 has established itself as a model for future graduating classes. This class has achieved academic excellence, leaving a legacy to be proud of and held high for others to aspire.

I am proud of your outstanding accomplishments. You are moving on with your lives and we are confident the education you have received at Plainfield High School will allow you to continue your pursuit of academic excellence.

In the past four years, many of you have contributed to making Plainfield High School your extended family. Your class has been involved in co-curricular and athletic activities. Many of you have experienced exciting performance opportunities. Several of you took advantage of the wonderful leadership opportunities on student council and as class officers.

You will always hold a special place in my memory, because you are the first graduating class under my watch as Interim Principal. We have been together for the past four (4) years and I have watched each of you develop into responsible adults. As you begin your journey, you are joining a distinguished family of accomplished men and women who are making meaningful contributions throughout the world our alumni. I have no doubt that you too will achieve great success and significant luster to our alumni family.

I hope you will take your place in the world with confidence and pride. I will leave you with a quote from Dag Hammarskfold:

Never look down to test the ground before taking your next step: only he who keeps his eye fixed on the far horizon will find his right road.

Sincerely,

John A. Martucci  
Interim Principal

# Public School of Plainfield

Dear Graduating Class of 2008,

As your interim Superintendent, I want to take this opportunity to congratulate you on achieving one of the most significant milestones in your life. It is because of your effort, tenacity and focus that you have completed the requirements to receive the covenant award of a high school diploma. I am honored and proud that I have had the opportunity to be a part of this achievement.

As you reflect back on your school days, you will probably see that there were many distractions that could have taken you down a very different road. I am delighted that you chose the road that led you to your diploma.

Our nation is ever changing. The information age has developed so that all may learn and be cognizant of the world around them. I challenge you now to go and make the world a better place and make a difference to man kind. I expect you to challenge the world economically, socially and maybe even politically for the greater good.

So, I salute you, your family and your extended family in your achievement. Martin Luther King, Jr. told us that the function of education is to teach you to think intensively and critically. You have the tools to start your lives journey so do it well.

Yours in Education and Truth,

Dr. Garnell Bailey, PhD  
Interim Superintendent of Schools

# Yearbook Staff

**To the Class of 2008,**

**Though we have been through many ups and downs throughout these last four years, we finally made it! We hope that in looking at this yearbook you will have remember all the great memories we've made and all the fun times we shared. How hard it is to say goodbye to lifelong friends and life as you know it, and step into a world of change and great possibilities. We hope that you all find what you are seeking for in life and that you all become successful. Never let anyone hold you back. CONGRATULATIONS 2G8! WE DID IT!!!!**

Our lives go on without you  
But nothing is the same  
We have to hide our heartaches  
When someone speaks your name  
But are the hearts that love you  
Sleep the tears that fall  
Living our hearts without you  
Is the hardest part of all  
You did so many things for us  
Your heart was kind and true  
And when we needed someone  
We could always count on you  
The special years will not return  
When we were all together  
But with the love within our hearts  
You will walk with us forever
